A NEW  
PERSPECTIVE  
THROUGH THE LENSES  
OF ART, DESIGN,  
FASHION AND CUISINE,  
LE MERIDIEN CYBERPORT  
CREATES A STIMULATING,  
INTERACTIVE EXPERIENCE  
THAT ALLOWS GUESTS  
TO SEE THEIR  
DESTINATION FROM A  
NEW PERSPECTIVE.

Chic and unique, Hong Kong Southside's hip hotel Le Méridien Cyberport - where to check in is to chill out - is a 170-roomed haven of effortlessly stylish design, cutting edge technology and upscale amenities.

Eighteen function rooms are designed with high ceilings, abundant natural light, video conferencing and wireless broadband connectivity. The largest function room can accommodate up to 300 guests for a theatre style seating and 120 guests for classroom-style meetings, whilst the boutique-style meeting rooms within the hotel can comfortably hold up to 100 guests.

## GUESTROOM AMENITIES

Each guestroom and suite feature an ultra plush bed with 14 inch mattress with 100% Egyptian linen and pillows to hug, 42-inch plasma television offering cable TV and video-on-demand, wireless high speed internet connectivity and cordless digital phone allowing you to stay connected throughout the hotel and the pool areas - all of which are ideal for the traveller looking for a little edge.

The glass and chrome bathroom is strikingly innovative in its design featuring upscale amenities, a spacious walk-in rain shower while some with stimulating soothing corner infused with essential oils and stand-alone roll top bathtubs overlooking the sea. A well designed flexible working space, and floor to ceiling windows ensure full comfort and convenience.

## CENTRE OF HONG KONG

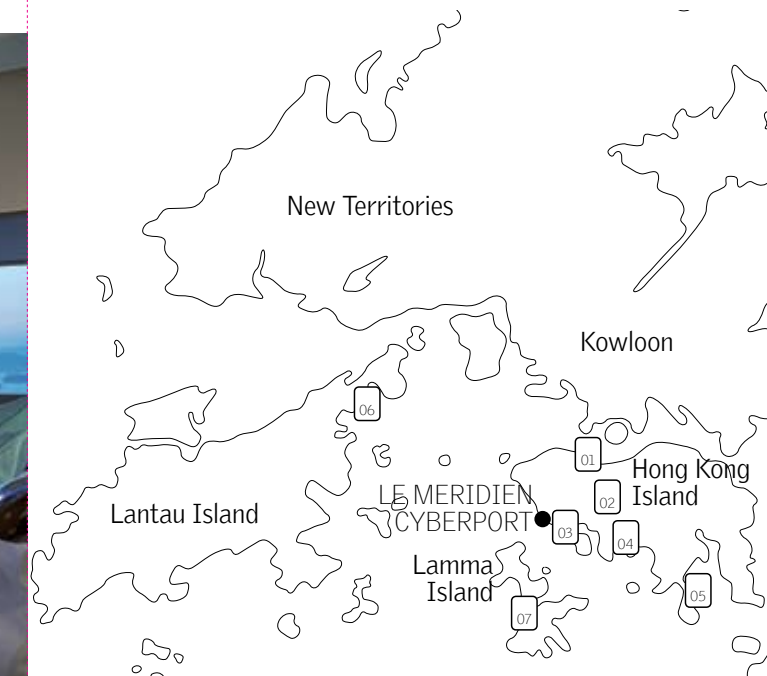

Le Méridien Cyberport is located in Cyberport complex - a unique architecturally dynamic information technology and digital city that combines intelligent offices, conference and entertainment spaces nestled in greenery by the blue waters of Telegraph Bay, just within minutes from Hong Kong's central business district and shopping centre.
